

SAVE THE DATE: June 6, 2026

World Oceans Day is an international celebration of environmental stewardship, raising awareness about the importance of protecting our planet for future generations. Marine Science Institute invites you to join us for our 1st World Oceans Day event. Sponsoring this event is a fantastic way for your company to engage with community members who **share your commitment to environmental responsibility**.

Your sponsorship supports environmental stewardship, builds community awareness around litter and pollution, encourages reuse and recycling, and helps fund hands-on marine science education for schools year-round.
